HealthShare NSW Support Services Program at Sydney Local Health District

Dear Gerard,

I am writing to provide you with an update on the Support Services Program. As you are aware, this program includes the transition of non-clinical support services from local health districts to HealthShare NSW and is occurring in a staged approach over the coming years.

I am pleased to advise we have begun work to transition Sydney Local Health District, with staff scheduled to formally commence with HealthShare NSW from May 2026.

As promised, and in accordance with the MOU, we will keep you and your team updated, including providing current staff profiles for the services that are transitioning to HealthShare NSW as the project progresses.

Should you have any questions or require further information please contact Arina DuToit on 0467 739 121 or email arina.lemmonwarde@health.nsw.gov.au.

Sincerely,

A handwritten signature in black ink that reads "Wendy Hughes".
