Re: Public Health Unit and Refugee Health Services Leadership Restructure

Dear Mr Hayes,

I refer to previous correspondence dated 20 January 2026, where you were informed of the proposed changes to the Public Health Unit and Refugee Health Service in South Western Sydney Local Health District (SWSLHD).

Following the conclusion of the consultation process, all feedback received has been reviewed and incorporated where appropriate. An updated organisational chart, along with a summary of the consultation feedback received, is attached for your information.

Implementation of the leadership restructure is scheduled to commence on 23 March 2026.

Thank you for your continued support.

Yours sincerely,

Mandy Williams

Director Population Health
