Early Change Notification – Consultation regarding relocation of Mirrabook Mental Health Unit

Dear Mr Hayes,

I am writing following the Mental Health Service Roadshow on 22 January 2026, confirming the change in location of the Mirrabook Mental Health Unit, Shellharbour Hospital, which has the potential to impact your members.

As you know, the unit will be relocating to the new Shoalhaven Memorial Hospital on or around 1 July 2026.

The first preference will be to match all permanent Mirrabook staff to roles within the new hospital, however we will commence a formal consultation process to understand their preferences in work location.

We anticipate commencing formal consultation in mid-March. This timing is due to current unplanned leave and upcoming planned leave within the Mental Health Executive team, and we want to ensure our full executive group is available to meet with you throughout the process.

Our aim is to provide appropriate support and ensure everyone has the opportunity to engage meaningfully in the consultation.

Please let me know if you have any questions in the meantime.

Adam Bryant
Director
Mental Health Service

Date: 11 February 2026
