Re: Proposed Change of Roster– St George Hospital Food Services

Dear Mr Hayes,

I am writing to formally notify the Health Services Union (HSU) of HealthShare NSW (HSNSW) proposal to change the rostered start and finish times for Food Preparation positions located at St George Hospital.

The proposed changes to these positions (3.0 FTE) involve an amendment to rostered hours, whereby two positions will retain their current hours of 6:00am to 2:30pm, and one position will change from 09:45am to 06.15pm and transition to 8:00am to 4:30pm. In addition, all positions will participate in a rotating roster arrangement aligned with other Food Services staff across the site.

These changes are being proposed to support the operational requirements arising from the recent redevelopment, improve workflow efficiencies, and ensure service delivery continues to meet business needs.

HSNSW is committed to ensuring staff are informed and supported through these changes. As part of this process, consultation with our staff regarding the impact will commence on Monday, 15 June 2026 and will continue for a two-week period.

As part of the consultation process, we welcome your views on the implementation of the proposed changes of roster.

If you have any queries regarding the proposed changes please contact Zdenka Fuller, Acting Director Food and Cleaning, Operations on 0431 939 840 or via email Zdenka.Fuller@health.nsw.gov.au

Sincerely,

Shubjeet Kaur
Executive Director, Operations
