Proposed Changes to the Finance and Corporate Services Directorate

Dear Mr Hayes

I refer to my most recent correspondence dated 28 January 2026 regarding the proposed changes associated with the restructure of the Finance and Corporate Services unit, which has the potential to affect staff covered by the Health Services Union (HSU).

To date we have held individual meetings with the impacted staff to discuss the Restructure Plan and offered details of where feedback can be provided.

The consultation period closed on 12 February 2026. Since then, we have undertaken a review of the feedback, noting I have not received any feedback from you relating to this review. We have since met again with impacted staff on 3 March 2026 to provide the outcome of the review.

Please find attached an outline of the final structure and our responses to the feedback which have been provided to staff.

We will now provide support for our impacted employees to be redeployed elsewhere either within the District or NSW Health or the NSW public sector as part of the Workforce Mobility Program.

I would like to take this opportunity to thank you for your co-operation and input throughout this process. If you wish to discuss this matter further, please contact Kathryn Farr, Senior Human Resource Business Partner via Kathryn.farr@health.nsw.gov.au or myself via email at ketan.thakkar@health.nsw.gov.au.

Yours sincerely

Ketan Thakkar
