Realignment of TSSU Services from POWH to SSEH

Dear Mr Hayes,

I write to notify you that SESLHD have arranged conversations with staff in the TSSU department currently reporting to Prince of Wales Hospital (physically based at Sydney/Sydney Eye Hospital) requesting feedback around a change in reporting lines.

The Sterilisation Technicians will report to the new Sterilising Services Manager at SSEH as of 16 March 2026.

For more information in relation to this realignment, please contact Natalie Maier, Director of Nursing and Support Services Sydney/Sydney Eye Hospital by close of business 12 March 2026.

Yours sincerely
