High Volume Surgical Hub – Staff Information pack request

Dear Mr Roberts

Thank you for your feedback at the Northern Beaches Hospital Staff Consultative Committee (SCC) on 3 June regarding the High-Volume Surgical Hub (HVSH).

Please find enclosed the High-Volume Surgical Hub staff information pack, as requested. This material has been prepared to support staff understanding of the proposed model and to inform consultation with committee members ahead of implementation.

The District remains committed to ongoing consultation and engagement with staff and union representatives as the HVSH is implemented. Feedback from the Staff Consultative Committee and broader workforce will continue to inform the approach to implementation and operational refinement.

Thank you again for writing. For more information, please contact Ms Bronwyn Nolan, Director Northern Beaches Hospital Transition at NSLHD-NBH-TransitionSupport@health.nsw.gov.au or on 0459 643 647.

Yours sincerely

Simon Hill
